

A SPACE FOR EVERYTHING. EVERYTHING FOR YOUR SPACE.

Custom cabinetry from ILS is designed with intention
to help your practice function optimally.

MORE THAN 800 LAMINATE CHOICES.

That's almost one for each way ILS Cabinets make your practice more productive.

ILS designs and builds custom cabinetry that combines elegance and beauty with multiple storage solutions for ancillary equipment and delivery systems in the treatment room.

To meet the unique functional and efficiency needs of each practice, the ILS process starts with consultation and design, and ends with your satisfaction.
